The Remains of the Day Kazuo Ishiguro boken PDF

'After all what can we ever gain in forever looking back and blaming ourselves if our lives have not turned out quite as we might have wished?' In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past... A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House, of lost causes and lost love. *The Remains of the Day* is now available as a Faber Modern Classics edition.
